Aletheia Giving

For the last two years we have been supporting „Kick It“ financially. We did plan on also helping out practically, but due to Corona that hasn't really happened yet.

Our promised commitment to Kick has ended in June. We would like everyone to think and pray which organization we would like to support next.

Aletheia Guys Night

Seasons of Change, Seasons of Endings

John 3:30 He must increase, but I must decrease.

Below are some questions that can help us all go deeper with God during our quiet time this week

- What are some blessings that God has given me that took me further away from Christ for a time? What was the blessing? What happened in my heart that caused me to turn further away from God?
- When was the last time I have gone through a season of ending or loss? How did I respond to that? Did it cause me to draw closer to God? Or did it cause me to turn further away from God?
- Is there something in my life where God is asking me to end a season? Am I obedient? Or am I resisting the change God wants to do in my life?
- Is there anything in my heart right now that God has given me that is now causing me to not draw as close to Him as I did before? What does God want me to do to draw closer to Him again?
- In what part of my life am I pursuing my own wishes, desires and glory rather than Jesus?
