Aletheia Giving

For the last two years we have been supporting „Kick It“ financially. We did plan on also helping out practically, but due to Corona that hasn't really happened yet.

Our promised commitment to Kick has ended. We would like everyone to think and pray which organization we would like to support next.

Next Outreach Events

Spiritual Warfare: Jesus, Satan and our Smart PHONES

John 16:33 ... In the world you shall have tribulation: but be of good cheer; I have overcome the world.

Below are some questions that can help us all go deeper with God during our quiet time this week

- How am I currently using my mobile phone? Overall, would I say it's helping my life? Or is it more distracting than helpful?
- Do I see myself as „the product“ when I am using my cellphone? Do I feel I am in control? Or do I feel like the cellphone is controlling part of my life?
- What negative consequences can I identify that have affected or are currently affecting my life?
- What practical steps can I take from here to reduce the cellphones control over my life? What time limits do I want to set? What location limits do I want to set?
- Who can help me and give me a more objective view on „how I use my cellphone“?
- How can I include Jesus in my journey to „resist the control of my cellphone“?
