Aletheia Giving

For the last two years we have been supporting „Kick It“ financially. We did plan on also helping out practically, but due to Corona that hasn't really happened yet.

Our promised commitment to Kick has ended. We would like everyone to think and pray which organization we would like to support next.

Who is God? And who am I?

Below are some questions that can help us all go deeper with God during our quiet time this week

- How would I describe God? What is the main character trait that I associate with God?
- What character trait of God do I not really focus on when thinking about God? Is there even a character trait of God that I don't really believe in, even though the Bible describes God that way?
- How is my false view of God affecting my relationship with Him?
- What is my self-image? Is it in line with what God says about me?
- What does the Bible say about my identity that I have difficulty believing?
- How is my false view of myself affecting my relationship with God?
