- Where does my belief come from? Is it based on Biblical Beliefs? Or does my belief come from some other sources?
- Have I ever created disunity within the church by focusing too strongly on a secondary issue? Has someone else offended me by doing just that? How can I avoid such disunity in the future?
- What is my view on the role of men and women in the church? Am I taking the Egalitarian View or the Complementarian View? What verse my absolute that determines my decision?
- Would I like to discuss this topic more with other church members? When/how would I be able to do this?
